The following information is being provided to help give you, the referring person/agency, guidelines that are used by the REALTORS® for Kids organization for handling the disbursement of funds to children. It is the desire of the Referral Request Committee to receive as much information about the child as possible; therefore, we ask that you tell the child's story; and the financial circumstances. This gives the committee the opportunity to become familiar with the child's situation and to better make the decision about approving the funds requested.

Guidelines

- 1.)The child must be a legal Wyoming resident and live in the Big Horn area.
- 2.)Age: 18 and under

RFK approves funds for the following but are not limited to:

1. Community-based organizations that provide support and on-site care for children that are: abused, neglected, abandoned, disabled or disadvantaged.
2. Kids with medical needs, especially those who require immediate and ongoing treatment. Insurance Companies do not usually pay for the travel expenses of getting a child to and from treatment and RFK will help with those expenses.
3. Community and school related activities, which is driven by the financial hardship of the family and child. RFK will approved funds for kids who need glasses, soccer shoes, a band instrument, project materials, participation in a wrestling camp, scout camp or debate trip or school functions, or school related/peer activities, etc.

*****REALTORS® for Kids does not sponsor children's sports teams or events, nor do we fund other organizations projects or fund raising efforts. Funds are approved for requests that are made only by REALTOR® Association members or referral agencies, such as schools, social services, or other child related agencies or organizations.*****
